### Project Description:

This project main component includes the construction of a 4-story building and some exterior and landscaping works for the Ministry of Justice in Gaza city.

### Objectives:

1. To improve and increase the capacity of the of the judicial system facilities in the Palestinian Areas through the construction of the Ministry of Justice office building in Gaza.
2. Create job opportunities through implementing carrying out labour intensive activities.

### Locations:

Gaza City

### Products (as of end – May 2006):

- Up to date, around 36% of the construction activities were carried out.

### Outputs:

- A new building for the ministry of Justice will be constructed and fully utilized.
- More than 15,000 work days will be created.
