Project Description:

This Programme is the fifth phase of projects funded by the Government of Germany through the KfW to provide relief to Palestinian Communities in the West Bank & Gaza Strip through small and medium scale social infrastructure works. This component of projects will combine capacity & Institution building for counterparts by meeting the priority needs of the community through employment generation techniques.

Objectives:

1. Alleviate poverty,
2. Generate employment
3. Improve access to basic social services in impoverished Palestinian communities by implementing labor-intensive infrastructure projects.

Locations:

116 Locations (41 in Gaza & 75 in the West Bank)

Products (as of end – May 2006):

- 116 projects have been selected
- Design & Tendering of projects

Outputs:

- Anticipated that 280,842 workdays will be created through these project activities.
- Better access to basic social services
