Project Fact Sheet

Emergency Humanitarian Aid Programme - CAPII

PROJECT AIM (OVERALL OBJECTIVE)
The programme aims to provide immediate humanitarian relief to Palestinians through the construction, rehabilitation, and equipping of Primary and Secondary Public Schools in the West Bank.

PROJECT DESCRIPTION
The project funded by the Government of Japan was based upon the 2004 Consolidated Appeals Process (CAP) where UN agencies submitted project proposals that were part of a humanitarian appeal. Based upon this submission, the Government of Japan identified a number of projects that were submitted by UNDP/PAPP for further review and discussions. After careful review of the various project interventions, and negotiations, this project was approved and funding made available. The last project in the process of being launched for implementation works for the existing CAP II Beit Jala School.
